

Sponsor the Dickens Festival - Port Jefferson Village

Dear Friend of Dickens,

The upcoming 26th Annual Charles Dickens Festival needs your help more than ever as we grow our event to new heights. This cultural offering entertains some 25,000+ visitors from all over Long Island, NYC, New England and even visitors from all 50 states and abroad. This popularity creates a great opportunity for businesses to advertise their brand. As a sponsor of our 26th year celebration, your contribution will resonate through print, radio and media outlets impacting the local and regional community. This internationally-renown, top 10 festival on Long Island is made possible due to the support of our business community and we are very thankful for your patronage.

Please consider supporting this event by selecting one of the many sponsorship opportunities available.

Thank you, Mayor Margot Garant
& Allan Varela, Director, Greater PJ Arts Council
